PURCHASER agrees that the animal listed above must be spayed or neutered by a licensed veterinarian no later than 10 months of age for a Mini Bernedoodle puppy and 18 months of age for a Standard Size Bernedoodle puppy. PURCHASER agrees to provide SELLER with proof of the spay/neuter being performed no later than 14 days after the procedure has been completed. By signing below, PURCHASER agrees to have the above described dog spayed/neutered no later than **10 months old for a Mini Bernedoodle puppy and 18 months old for a Standard size Bernedoodle puppy** and understands that this spay/neuter agreement is an agreement that this dog will be spayed/neutered and not produce a litter of puppies either as purposely bred or by accidental breeding.
